WYLIE SCHOLARSHIP IN MATHEMATICS APPLICATION

Wylie Scholarships in Mathematics are awarded annually to students with outstanding academic ability and promise who intend to major in mathematics at Furman University. Wylie Scholarships in Mathematics are renewable each year based on the established Wylie academic guidelines. In order to be considered for this scholarship you must:

1. Plan to major in mathematics at Furman.
2. Apply for admission to Furman. (Your application for admission to Furman will be used by the Wylie Scholarship selection committee.)
3. Complete the Wylie Scholarship in Mathematics Application.
4. Have three letters of recommendation sent to the selection committee. One letter must be from an upper-level mathematics teacher (AP teacher if possible). Another letter should be from your guidance counselor or your high school principal. These letters should address your interest in mathematics and the likelihood of your successful performance in a university mathematics program.

Your application materials must be postmarked and sent by **January 15** to:

Wylie Scholarship Selection Committee
Department of Mathematics
Furman University
3300 Poinsett Highway
Greenville, South Carolina 29613
